How Elias Can  
Keep.

Permit me to congratulate you  
on the nomination for Governor  
of N.C. I was attending the  
Episcopal Conference at Greensboro  
at the time. When I heard of  
the nomination I am glad to  
see our old boys coming to the

front -  
When elected try to do something  
for Charley Hindon. He needs help  
With regard to your family,

Yours friend
