Mr Elias Carr  
 Old State  
 N.C.

My dear Sir,

I am glad to have the opportunity of expressing to you my perfect satisfaction and pleasure in your nomination for Governor of our State.

Knowing you as I do Mr Carr I feel that the proper man has been chosen for the office, and I am also certain that my feeling of security in the result of the coming contest is shared by our people.

Knowing that you are a Democrat and knowing also that you are a true friend of the people, and understanding the principles upon which the Farmers Alliance and the Democratic Party both rest, then

every reason why the Convention  
that nominated you, should be  
congratulated upon their sagacity  
and clear sightedness in  
choosing a man who so  
ably and fully represents what  
is best in both Alliance and  
Democracy, and who was the  
back bone to hold the discordant  
elements, if there is now any  
discord, in the world.

Wishing you all the good fortune  
that you so richly deserve, and  
with kindest regards to your family  
I am as ever,

Your friend  
James D. Watson

P.S.

I am a lawyer not a politician  
but if I can be of any assistance  
to you in any way, you know where  
I live, and all you have got to do  
is to drop me a line.

Yours  
D. Watson
