My dear Sir —
I beg to

Congratulate you on your
nominations by the Democratic
Convention for the office of
Governor. I believe you will
be elected by an overwhelming
majority, for I think you will
be able to bring back into the
fold those erring Alliance men
who seem inclined to follow
those would-be leaders who
are trying to sell out the State
to the Republicans. The welfare
of N.C. depends upon the success
of the Democratic party in the
State, & your position as ^{its} stand-

— and be ever in one of high
honor & great responsibility.

With best wishes for your
success

I am very truly
