

Wadesboro

N. C.

May

Hon Elias Carr

24
1870

I regard your nomination
as the very wisish one
we could have made.
The day before our Delegate
left for Raleigh I said to
Geo W McGregor and
Hon J. T. Lockhart that you
were the man for the
place above all others,
If during this canvass
a plain Citizen can help
you I am at your
Service

faithfully
R. T. Bennett
