Sparta, N. C., June 1st 1892.

Hon. Elias Carr,

Old Sparta, N. C.

Dear sir:

We would be glad if you would send us an electro of yourself that we may print in the "Star". We want to print with it a biographical sketch of your life, The "Star" being the only paper in this, Alleghany, County we think it would be of great benefit to you.

Hoping that your majority next November may be the largest ever given by North Carolina's

Democracy, we beg to
remain

Yours faithfully
A. S. & J. M. Carson,
