

EIGHTH & BROAD STS.

Richmond, Va. June 2nd 1892

Dear Uncle Elias -

I am obliged to you for your letter, and doubly so, because I know how very busy you have been, & how many letters you have received and have had to answer,

I have been like your self very ill, and the doctor said that, I was dangerously ill, Dr McGuire, says that it was a mere accident that I recovered,

You had a hard spell not long since, & I was much exercised about you, Give much love to aunt El, & all of your good family,

Our people & am satisfied
will support you wrong,
& shall be much pleased to
welcome you to Person
Court & to our house,
Write to me when I can
aid you in any way,
like yourself, & lead a
retired life on the farm,
seldom going from home,
except on business,
& remain,

Your affec. nephew,
John S. Cunningham,

P.S.

Aunt Del. was a
great comfort to
me in my sickness,
& am glad to say, I
am a little better,
