Wm. Elias Farr,
Old Sparta,

Dear Sir:

I am requested to prepare a sketch of you for publication by the American Press Association in about 1000 newspapers, and will need a photograph of you, with your autograph. I have the sketch ready. Be pleased to send me the photograph at once. If you have an engraving or cut of yourself on wood or metal I would like to have that also. But the photograph is a necessity. Please see that it comes to me at once.

With highest regards, I am
Yours Very Truly,
J. A. Oeds.
