My Dear Sir:

Yours of the 7th inst. duly rec'd and in reply will say that I have no preference between Messrs. Battle, Peebles and Pau. Any one of them I think would make an efficient Chairman. We want a man that is willing to give the matter the closest attention. Organization is the winning hand in politics in this age. From what some of Gov. Jarvis' friends said to me at Raleigh I am inclined to think he would take the position very readily. There is but little Third Party talk in this immediate section. Alleghany, Wilkes and Surry have none worth mentioning but in Forsyth there is a considerable sentiment leading in that direction.

I am anxious for you to visit this North-western section during the Campaign

and hope to be at home when you
come to my County.

Dr Sandelin sent for me to go to
see him after you left Raleigh for
Charlotte but I did not have time to
do so, however, on my arrival home
I wrote him and have received a
letter in reply. He takes his defeat like
a philosopher. He wants to be appointed
Commissioner of Labor Statistics (Scarboro
Place) and if you are elected I would
be glad for you to appoint him.

I trust that our friends will act
wisely at Chicago. Much depends on their
action there.

I would be glad to hear from
you as to your views of the Campaign.
There should be some uniform line of
action among our speakers and unless
there is much confusion will follow in
my opinion.

Meanwhile, I remain

Your friend
R. A. Doughlan
