Dear Sir

Think me neither
impudent, nor an adventurer
by thus addressing you, I am
publishing a semi-weekly paper
here of which I am sole owner,
and which has been in existence
since Oct-1890, It has a circulation
of 1600, and good line of
advertisements and is much
more than paying expenses. But
to get it to its present position
I have incurred a few hundred
dollars debt, and some effort

is being made by enemies of
the Democratic cause, to
embarrass me. And it has been
suggested that an appeal to a
few friends might help me. So
through a stranger I ask you
to help to a small amount, not
a gift - but if you can loan
me a few dollars say 15 or 20. I
will pay the money back on
or before the 1st Jan. 93. and if
you can do no more a subscription
to the Record a copy of which
I send you will be thankfully
received

Yours Respectfully
Thos. W. Babb

I hope and work for the
success of the State ticket
