Hon. Elias Carr,

Old Sparta, N. C.,

Dear Sir:-

There will be a meeting of the State Democratic Executive Committee in Raleigh on the 6th of July for the purpose of electing a Chairman and for the transaction of other business. As I think the head of the State ticket should be consulted as to the selection of chairman, who will be in sympathy with the ticket and its first nominee, I write to know whom you prefer to take charge of the management of the campaign this year. I beg that you will not hesitate to indicate your preference for a chairman.

Yours very truly,

H. B. Adams,

Member Dem. State Ex. Com.
