Hon Elias Leav  
Wear, N.H.

There is no sentiment,  
that I know of, against any man  
on the state ticket in relation to  
his religious convictions, but  
there has been some talk about  
the <sup>branch of the</sup> church you belong to and  
for that I now address you, to know  
for certain to which denomination  
you belong to or affiliate with  
An early ans. will oblige

Yours truly

John R. Gilbert
