Dear Bro. Carr: -

Your card rec'd. -  
 Simmons is a good selection.  
 The state ticket is by no means  
 safe - its <sup>election</sup> is a hundred times  
 more important to us than  
 the national ticket. -  
 I wish to attend my county meeting  
 in Clinton next Thursday - &  
 I can not go up before the  
 close of the week if there. How  
 far are you from Tarboro?

Fraternally,

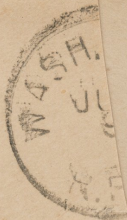

Marion Butler
