

JAMES D. GLENN,  
ADJUTANT GENERAL.

ADJUTANT GENERAL'S DEPARTMENT,

*Unacknowledged*

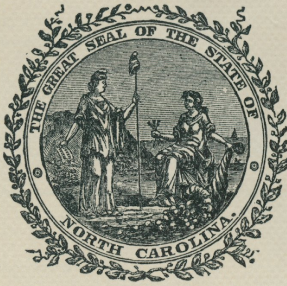

Greensboro, Sept 17<sup>th</sup> 1892.

Hon Elias Leas

My dear Sir:

As our State Convention  
I was a warm supporter of Gov Hoist  
but when I saw he cannot run he  
nominated, I used all my influ-  
ence for you and flatter myself  
I was of some assistance to you.  
Since your nomination I have  
used every effort in your behalf  
both in this and Rockingham County  
and as you were known my  
brother R. B. Glenn is doing every-  
thing in his power to secure your  
election. I was appointed Ad-  
jutant General by Governor Fowle  
and reappointed by Governor Hoist.  
I have tried to discharge the duties  
of my office honestly and

Faithfully and I feel very proud  
of the advance<sup>ment</sup> made by the Guard  
under my supervision. I had  
not intended writing you till after  
the election knowing you have e-  
nough to look after at this time.  
But I find one certain party  
in Wilmington who have done  
nothing for the party and who  
have proved very in different suc-  
cess are using every effort to  
get my place, therefore at the  
advice of some friends of both  
yourself and my own I write to  
say I shall be a candidate for  
re-appointment as Adjutant General  
and hope it will be agreeable  
to you to under me the same.  
With kind regards Yours Very truly  
Jas. D. Glenn.
