My Dear Wife:

It is now 12:30 a.m.
but I must drop you a line.
Have driven 38 miles today over
the dusty and sandy road
I even traveled over and sel-
fishly congratulated myself I
was not driving my own
horses - but I am in good
quarters now and enjoyed
my supper of fish and
oysters - will drive the same
distance tomorrow and
make two speeches - will
be at Vance's box only
40 miles from Broadbridge -
and could be there the next
morning by 11 o'clock.
