

LURAY FEMALE INSTITUTE,

M. M. HARGROVE, A. M., Principal.

Luray, Va Nov - 12 - 1892.

Dear Mr. Cass,

I have just been assured through various news-papers, and also through a most jubilant letter from John, that our grand old State has gone Democratic, forty thousand majority, electing entire Democratic ticket, and both houses of the Legislature - Democratic: and the Nation too Democratic by a large majority. Excuse the number

of times I write the word
"Democrat" out of the abun-
dance of the heart the
mouth speaketh. We are
so glad here, and are
laughing so heartily over it,
that as the little boy said,
"It most tickles our breath
out of us."

The entire South solid for
Democracy! It makes us
rejoice to think that money
could not buy our dear
South land, and that it
was under your leader-
ship, dear Mr. Cass, we
won this great victory -
against Republicans and
Wearers its Combined. I

tender my most loyal congratulations.
May God bless you, and sustain you in
the work to which he has called you.

You, in all probability, will scarcely have
time to read a letter from me, but if
you should pause awhile over this
remember that not one of your friends,
great or small, will enter with more
sympathy into whatever affects your weal
or woe than will the one who has so long
known and appreciated you. Happy people
in having such a Governor! My love to Mrs
Carr, Elias, and the dear little girls - not
forgetting Bet. Tell Elias to send me

Some state papers that you are through with
at Beacbridge. I must write now to
Buttm and John. Once more God bless
you & yours.

Truly your friend,

S. D. Twitty.
