

WILLIAM J. WHITE,
Dealer in General Merchandise
AND FERTILIZERS.

Warrenton, N. C., th July 14th 1893.

Dear Mr. Carr,

I intended to have
my letter to you in regard to yr property
here until after you had taken posses-
sion in yr new quarters, but I have made
a contract in the last two days to go with
Durham Fert. Co. again. I enclose the
Ins. Policy on house, which you
will notice is for \$1200 for 5 yrs. I took
no Ins. on furniture. This is put in
the parlor & the key is with Aunt. "Liza".
The Contract for rent of house is also
enclosed. I allowed the Palmers to
move in Decr hence the Policy of
Ins. is dated then. If you wish any
Ins. on the furniture drop a line to
Hal. Macon. Burwell does not take
the stables this yr & I have not yet rented
them. I will leave the property in

charge of W. J. White until my re-
 turn which will not be later than
 Apr I think. What shall we do with
 the Vineyard? Last yr I made two or
 three ~~small~~ shipments & got about \$2²⁵
 above cost of Int & coms which did
 not pay cost of gathering &c, so there
 is no statement of profits to render.
 I send below menu of Ins. premium &
 the other little things I have had done.
 Wishing you a pleasant and successful
 term of office & with kindest regards to
 yourself & family

I am very truly yr's
 Hugh J. White
