Gen. Elias Carr,  
Raleigh N.C.

My Dear Sir,

Yours received, I will see Equiton and Spring Bushon next week and make some settlement of your claim, Mr L.W. Oculy wants to buy Mr. R. Oculy place and will do so next fall provided he makes a good crop this year, I think it would be to your interest to sell the place to him for the amount of R. Oculy's note and interest, You ought to have additional security for at least the interest of nothing more, My impression is that you agreed to dismiss your suit against T.C. Dices provided he would pay the Cost. As yet the Cost has not been paid, Cook & Polk would like to know what to do about the matter,  
All well and send love, Truly yours,  
Jacob Puckin.
