

Washington City -
March 23rd / 1893.

Hon. Elias Carr:

Governor of North Carolina:

Sir: I have the honor of
acknowledging the receipt of
your most excellent letter to Mr.
Secretary Carlisle in my behalf.
I know the letter was sent at the
instance of my Uncle Mr. John Grimes
but it expressed such kind interest
in my helpless condition, that I
thought I would personally express
my gratitude, and say that I
appreciated it and believe I am
worthy of your recommendation.

I am Sir: Very Respectfully

Mary F. Haywood
