

Washington N. C. July 14 1900

Gov Elias Leav

Old Sparta N. C.

or Gov

The enclosed letter Explains
itself. I am unable to give Mr
D. the information he seeks. I have
written him that I would make one
more effort to learn something of the
Ancestry of Mr Blackwell. If you
can throw any light on the subject
I would be all you to write me. I am
not been able to learn anything of the
particular for any one here.

I dislike to tax you generously in
asking for a letter this hot weather but Mr
D seems so anxious to get up an
Ancestry for Mrs B. I want to help him all
I can.

Thanking you in advance I am
Yr truly
Thos. H. Blomach
