Dear Elias:

I shall while away
this Xmas reading, & I sup-
pose you will do the same,
so I sent some magazines
which I trust you will en-
joy. The Holiday means less
& less to me, but I sup-
pose it is my fault, as they
say that a man gets out of
any thing only what he puts
into it, Mattie & Bruce join
me in love & best wishes
of the season,

Hastily & affly,

Dutton.

Am improving except in the legs.
