Mamma

My dearest Mamma.  
I have not quite  
decided about my  
suit, but I think I  
will get either a tan  
or light grey as both  
are so much worn.  
Mamma I will leave it  
with Sir Mat.  
Be sure and come  
Easter and please  
bring my brown hat I  
had last spring  
and also a white

perhaps the best way  
you can find as I  
am thinking of passing  
it down this season.

Your postal was re-  
ceived after I had  
written you. Hope it

was satisfactory. All  
well at 1413 St. except  
Cousin Maud who  
was a little under the  
weather yesterday.

Expect to see you as he  
please to see by the

1st or 2nd if possible.  
Well I will stop as it  
is time for the fall  
much love.

Mostly and devotedly,  
Eleanor

Well I want to send a  
few lines to Mamma  
as will stop. God bless  
you my dear Paddy -  
I shall be sure and  
come on soon. With a  
heart full of love for  
you and my two "Tuds"  
who will write to me  
I am

Aff. your little girl  
Eleanor -

Sunday

Georgetown Convent  
Washington, D.C.

My dearest Papa,  
I can hardly  
realize Easter is so  
near at hand and that  
I shall see you and  
Mamma in two weeks.  
Our holiday begins on  
April the 5<sup>th</sup> Tuesday.  
But can't you come on  
a day or two earlier  
reaching here on the  
1<sup>st</sup> or 2<sup>nd</sup>.

Oh. That is counting  
on having you so  
don't disappoint us.

The trip will do you  
with good and I know  
it will help me.

I am much better this  
week, than a bad head  
ache to-day but I think  
it will soon pass off.

I love you all please  
Cousin Mary if I had  
been in her place I  
never should have left

during the fish season  
I wish I had some of  
those nice, shad and  
Mojave the kittens have  
they grow much - bless  
their little hearts.

It is very warm here now  
to-day it drizzles and raining.  
The trees have commenced  
to bud a little, and  
the flowers to bloom.  
Cousin Maude is still  
at 1413 N. she leaves  
to-morrow.
