

W. K. CARR,
REAL ESTATE,
1008 F STREET N. W.

Washington, D. C., 189.....

Dear Father.

I was glad to read the enclosed paper at your office where the same I referred to. I should never have thought to send it to you, but for the flattering criticism of a prominent agnostic of this city & a gentleman for whom I entertain the most sincere regard. He advises me to publish it, but ^{of course}, that, I shall not think of doing. — Love to all.

Hastily & affly

Wm
