

Dearest Elias:

I must say right here that I do really want to see my darling more than I ever did in all of my life, I feel like I have lost my all now, for I don't feel like you care much to come if you could read between those lines you could see that I wanted to see you. I reckon you think it is very funny for me to write this way as your actions toward me the other night were so indifferent. I love you as dearly as I ever did in all of my life I must close now as I am afraid I will love you too much. With lots & lots of dear love  
I am as ever yours affectionately  
Susie.
