

Mr. A. A. Thompson
1st. Home Wm. Association
Raleigh, N. C.

Dear Sir,

A letter from
Gov. Carr requesting
me to manage a
Committee to be given
here by Mr. Wm. Miller
had just been re-

kind. I wish to ask if you will
kindly send me the printed matter
for distribution & tell me what to
do. I am greatly interested in the
cause and it will be a pleasure
to do anything in my power. I feel
sure it will be a success as
Mr. Miller has visited my city before
& I know everybody will hear him as
he is a great favorite. I will send
you the names of the committee,
Callisnoes &c. Monday if possible
and will do everything I can to
make it a success. Hoping to
hear from you soon I am
Sincerely & respectfully
Yours
Mr. Charles Summers
