

To Sir

My dear Sir -

This question was
Suggested by Capt.
Abbe at - Meeting -
and no objection
made - I think it
will injure our
Assembly very much
to be concluded so
indecisive - In fact
it seems absurd
to us to change our
day for a school
Commencement -
The Principal

Commentary meets
Wednesday - The
Editor's half - on -
And there is no
Friday - Genl
Friday has also
been making to

Very truly
Yours
James M. Anderson
