

5th,

here-after. Cousin Martha Ed-
has a boarder now - son of Mr.
Reicks, that was at your house,
when I was there - goes to
school to Mr. Graham.

We were deeply grieved to hear
aunt Reillers death - though
been expecting it - so long.

Until the rainy weather, Ma
has been very busy in her
garden. Heard Dick had
caught Mr. Bob Hyman, in
N. J. and a good many pre-
dict a "marriage". Mollie Whit
has a girl, nearly five weeks old -
have not heard whether uncle
Tom, and aunt Martha have
gotten home or not. Do you
fix your hair on the top of
your head? that is the prevail-

ing style in Warrenton. We
have had two letters from
brother Nat; in the last, wrote
that he had purchased a place,
well improved, and is much
pleased with the country.

Miss Ann has gone back to
uncle Whit's - health improved.
Expect Cousin Elias has been
very busy in his farm - but
little done up the country, so
far. You are bound to be tired
of this dull letter, so will bring
it to a close. Ma, and all
join me in much love to
each of you - Write very soon
to tell me, you will be up
this Spring - Good-bye.

Yours aff.

Bettie W.
