

Asheville N.C.

Dear Bro Carr  
W. H. A. N. C.

Sir,

I have been called upon for nominations "Anti-Slavery" for 91. I do most respectfully ask you to aid me in your part of the State, in making these nominations. Six years since I could have made these selections, but it is not so. Even if I had what I thought sufficient knowledge of your people still I would be doubly secured with your help.

I am Truly & Fraturnally  
Thomas B. Strong  
State Sec. W. H. A. N. C.

P.S. I did hope to see you here at our Immigration Convention, but after remembering how you suffered here in August I was truly glad you did not come, for such weather I never saw in my life in this or any other country.
