For Cary

Chairman

I hear there is to be a meeting  
of your Committee this afternoon &  
And think it best to make a  
report - The Ladies have not  
made themselves responsible  
for anything but the stands  
at Capital and at Entertainment  
of the Volunteers - which Capt  
Williams thinks will be  
less than \$200 - Capt. D. Green  
tells by the volunteers were  
\$12,00 - The badges we are  
having made we propose to  
sell for benefit of Monument -  
unless money can be raised  
outside of the city - appropria-  
I do not think that - then  
the Vice Presidents should

be entertained - We all know  
 how things ought to be done -  
 but our ability to do is  
 another thing - As for the  
 position assigned the Ladies  
 that day I am sure we  
 all prefer to leave that entirely  
 to Committee of Arrangements

Whatever your Committee  
 does will be entirely satisfactory  
 to us -

Very truly
