

Louisburg, N. C., June 9th 1893

To His Excellency Elias Cook,
Governor of N. C.

Dear Governor;

I send you herein an opinion by Jno. Graham upon the subject of the N. C. R.R. which it will be of interest to read. Please after perusal return it to me as it is the only copy I have. Of course it is very probable that you have seen it, but for fear that you have not I send it.

Some of the private stockholders have written Mr. Gallord (who owns 30 shares of stock) and clamored him and he has cancelled my option. I do not know what it is final, but fear so.

With high esteem,

Very truly,
Yours,
F. S. Sprull
