I have gotten from Mr. Harrel Q. M. G. as to number of men and while it may not be absolutely correct as to the total amount \$1,552.25 it can not be far from it. In addition to the above amount I presume that it may be safe for me to say that it induced other travel to Morehead City a few hundred dollars. I trust that this statement will be satisfactory to you and that you will pardon me for delay.

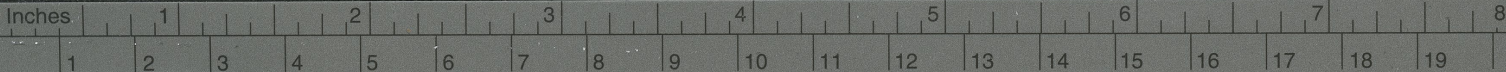

Yours truly,

Superintendent

P. S.

I further beg to say that earnings from the troops were in July and will not be embraced in our present annual report for 1893.
