

Jarvis & Blow,

Attorneys-at-Law.

Greenville, N. C., Nov. 20th 1893

My Dear Governor.

I return enclosed the paper sent me and also a letter which I wrote just as I was leaving for Holifay but which I failed to mail. I understood from friends at Holifay that Senator A was very much annoyed at the meeting and that all had been done that could be to keep it out of the paper. One gentleman told me that they brought all the possible papers they could to keep the anti-temper paper from publishing it. I fear it is no longer a question whether Ransom shall return to the Senate but it is getting to be a problem whether any Democrat can be elected. It is no use to make the fight for Ransom or any other Democrat who endorses him for it means inevitable defeat.

We got Suggs boy clear but it was a trying ordeal for his poor mother who coos at the hotel near the Court House.

With best wishes

Thos. J. Jarvis
