

WILLIAM J. WHITE,
General * Merchant,
— AND DEALER IN —
FERTILIZERS!

Warrenton, N. C., Dec 1st 1893.

Dear Gov Corr,

The Palmers, who occupy
my house until Jan 1st wd not rent again
unless they had the whole house & premises at
120. Stables included. I have an offer, at ^{somewhat conditionally}
100 from a gov a party with wife & one child
provided I wd have the well put in good
condition & move the furniture in a room
up stairs. This means for the part the Palmers
move home. I wd advise you to have the
Vineyard grubbed up & let the "Boss" have his
garden in the part of the Vineyard betw
the ~~to~~ stables & the Summer house. The bal. of
the Vineyard wd rent for something though
little. The well wd also have to be probably
taken up & dug deeper & have a curb put in.
This wd cost about 20. The party who
wants it wd insist on this - a good many
wells here have had the Summer Complaint
with opposite effect to that said Complaint

has on the Linneman family -

Enclose ⁱⁿ 34²⁵ & receipt from Hum-
mer for ¹⁵ 75. The ac I had itemized & lost it
so I got him to give duplicate receipt.

This is sent to See 1st -

I'd advise acceptance offer for rent
Will thank you to mail up reply so I can
get it either tomorrow or early Monday
morning on the Atlanta special. It is'd
have to be mailed Saturday to do this.

Best wishes I am truly & sincerely yrs
