Gov. Elias Carr,
Raleigh, N. C.

Dear Sir,

I have noticed with regret that some papers have criticised your action in not giving information to the public when you grant pardons.

When I read the first announcement that such information would be withheld, I heartily approved of your action; and after carefully thinking over it, I am convinced that you are entirely correct. I believe that your decision meets the approval of a large majority of the people.

With best wishes, I am

Respectfully and sincerely,

A. C. Davis
