My darling father,

I want to see you so much. I am so sorry I could not write to you before but mother told me a letter to one would be a letter to all and I have not had time sister Mattie keeps me going so. Tell mother that I have a little bottle of cologne that some one gave me Amas and I had rather have 10 so cant I give that to Annie just as well. I have a beautiful little watch. Brother Elias gave me a little spider it has a grate big amethyst in the middle and pearl all round it. Tell mother that grandma is better. Ask sister to write to me and tell me what old man santy brought her. Sister Mattie is very good to me she makes me brush my teeth in turpentine
