

Wilmington & Jersey 15. 1894

Gen Elias Carr,

Raleigh N.C.

My dear Sir,

Mr L. W. Dudley says

he can not pay the first note of Mrs
Dudley at present but will certainly do
so the 1st June or July, Financial
Matters are entirely out of joint in
this County, even from what I can
learn they are quite as bad elsewhere,
Miss Emma Williams and Mr John B
Tams are to be married tomorrow morning
at 10 O'clock, Hard times makes but
little difference with young people + I
suppose it is well it is so.

Very truly yours
David Jackson.
