Old Sparta, N. C.

Dear Sir;-

We are pleased to receive yours 14th. The price for Pacific will be \$20.- f.o.b. Norfolk 1st Nov. 94. This article is used mainly for cotton but is also sold very extensively for tobacco but on the latter crop we would advise a more liberal application - say 400 pounds per acre. We have sold Pacific in N. C. for many years, ^{28 years} and we think there has been more sold of this brand than of any other we know of. We shall be glad to receive your orders, when we will send you contracts for signature.

Yourstruly,

John S. Reese & Co.
