HIGH-GRADE FERTILIZERS.

Answering yours of.....

Enclosures.....

Baltimore, Feb. 24 1894

Mess. Elias Carr & Son,  
Old Sparta, N. C.

Dear Sirs:

We wrote you, in response to your inquiry, quoting our Pacific Guano, but have not had the pleasure of a reply. We would like to know whether the quotation made was not satisfactory, and what price will sell you a considerable quantity of this old brand, taking into consideration its guaranteed analysis, and the actual determination found by your State Chemist. Awaiting your reply.

Yours truly,  
John S. Reese & Co. J
