Gover Elias Carr

Dear Sir-

will say to you. I have gone  
in the Steammill Quisners and  
would like to buy the lumber on  
the Carter Tract. if you will  
sell to me the lumber in very  
convenient to the mills and would  
very glad to handle it. for you  
and the heirs I think it will  
pay them to make a tract with  
me. let me hear from you  
soon as convenient and oblige
