Gov. Elias Carr

Wahaja h. C.

Dear Sir,

In June or July long
 past you sent me from your paper
 titled "The Carr of North Va
 and his 'Quaint-ride'". I was
 a copy of a stick long a
 paper without date from a
 among the files of the
~~document~~ of May Carr,
 and wonder if there is any
 connection. It is difficult to
 explain the manner of this little
 newspaper stick, unless May Carr
 had some interest in it.
 It appears that Robt Carr and
 Caleb Carr were brothers.

Yours truly
 John W. Caldwell
