14 / IV 1894

Sir,

As in a few weeks I shall leave the colony and North Carolina for S. Francisco I take the liberty to send to Your Excellency the photo. of a Waldensian family with their pastor in remembrance of the 14th of August 1893. The baby you see on his mother's knees was born a few hours before your arrival and on that account called Carr Leon. Will Your Excellency remember him? May our God bless ^{you} and all that are dear to your heart with His most precious blessings! It is the prayer of your
humble servant E. Finay
