Gov. Elias Carr
Raleigh N.C.

My dear Governor:

Again the power of yr superior judgement is well displayed in the appointment of Jarvis as Vance's successor. Yr action is especially free from selfish motives — a politician might have advantageously used the opportunity for his own aggrandizement. To my mind you would have been Jarvis' only competitor, in the defeat of Ransom, in the next Campaign, — I fear now you will have to wait until Jarvis wears out. Yet I expect to live, & don't complete my expectancy, to see you U. S. Senator.

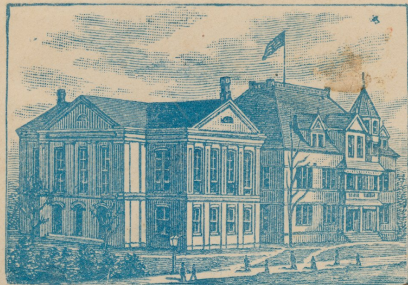

You have cause to be proud of the universal endorsement your Administration has recd.

God grant you long life in yr Country's service.

Very sincerely yours
W. W. Hargrave
