COMMITTEE ON WAYS AND MEANS,
 HOUSE OF REPRESENTATIVES,

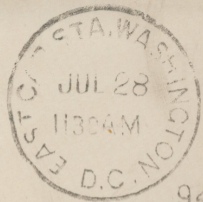

Washington, D. C., 7-28, 1894.

Hon Elias Carr, Sen.
 Raleigh N.C.
 Dear Mr Carr.

I only wish it were possible to help you in N.C. by making speeches there but of course that is unpassably owing to work in my own vineyard. I suggest however that if you think the Cuaha speech would do good you might have it published in some newspaper with a large weekly circulation. That would spread it all over the State. I am very much gratified at the growth of silver sentiment.

Yours truly W. S. Bryan

House of Representatives U. S.
