me dere fader

I seet meself en tek me penn een han fo wrôte yu dese fu line fo ley yu
no i is wel, en I hope da wil fin yu in de joyment ob de same blesin

gubner Kar sen me him fotograf mek from him en e wife
en dem is a gud pieter en de berry spitten imig o dem; de gubner taak
berry plesinubble ub yu, en al o wee hab a grate membrin ob yunna wen yunna
was yah wid wee; i ain fugit de mawnin we gawn fer shute due on sous ilan
togedder, wen yu kil de leetles due a de hole fix a wee, an him was de leetles
due in de state to Enty; en i member berry strate how de gubner him shute
en shute, en e Cooden specify fa kil nutten fuss er long en he git dat bex
tel ee mos wan bruk e gun til him Kil leben due, an den him da holler
an laff, an sa da oder buckra ain no how for shute Due, Enty

o yes i tink berry libely ober dem time, en i hope yunna will lib fa
cum bak en tri em gin!

I met wid ginnul elixander know en den him is Jis is elebber as
ebber, en al de time da taak bout hunt en ting:

wen ebber i see wee leely buckra fren mister mac costick, him fur ebber
da taak bout yu en da eub nigger langridge wid Wee:

de las leter wa yu writ tu me cum tru safly en gee wee heep's pledger
same luka al yu disinerestin leter duz doo:

jon is finely wel

now, Him wa confum in de chuch bi de Bishup on Apul de tirty. EE sen e
lub to yu lukwise minne Jine me in lub tew hony, dr slober, en him wife
an big BuBber, an same like al we requirin fren an wee al sen de same
to de Gubner, wish yu mus gee him fa wæe, wen yu shum nex time: yu mus
cum gen fa see wee en brought de gubner wid Yu. de Rebrunt mr wilyums
cawl fa se wee now en den en all de time da taak bout nort Calyna en
tings ginully+ we jis Git out de tilmen waar en tings is berry Mis

up:- So i haffer Close dis yah Leter, Miss vox en mr Jeems en rumbly, want a
membrin to Yu:

Writ sune too yu refectionete Sun
