Dear Eliot:

Having ~~been~~ subject for this
and you can charge same up
to ~~work~~ etc.

3.97 inches rain fell here on
Friday, and cold, as usual -
I do hope you did not have
so much, in fact, I see from
records at Hatteras .10 points,
Wilmington .50 points & Norfolk .10
points, your central location
your fall must have been
abt .90 points -

While writing this I should not
be surprised to see you
here tomorrow
all well -
