

Grimesland,
North Carolina.

My dear Mr. Carr,

You asked
me to let you know
when we reached Pitts-
boro; but it will be so
long before that time
comes I will not
wait until then but
tell you now, we will
be at Mrs. Gill's, Bra-
ma has a gain just off
the time of her depart-
ure, but I think we
will certainly be on
next Tuesday, the 14th
and will stop in

is enough for several days.
Kama has quite recovered,
and, thank you. We
missed you greatly
after you left - especially
by me. I wish you
could have stayed.
I wish you could
stay always when you
come, and never have
to go. Alston and I leave
home Saturday night
and we are all to-
gether for the first time
in over 20 yrs. in less
than a month we will
all be widely scattered.

Grimeslead,
North Carolina.

why my letter you -
so, but they just will
do that way. Yes. I
have been to the stump
in the evenings, even
in the rain. I always
keep my promise. I
waited there a long
while this evening.
Bryan, Mary, and
the children send love,
Good night.

Sincerely,

Charles B. Grimes,
Aug 7th 1894 -

I went over to Town
with Bryan on Satur-
day. And it rained
so hard I could not
get Jack until last
night. While there I
met some of your
Co. - friends - too. perfect
they seemed very re-
sistant of imparting
a great deal of in-
formation about you,
but I do not think
they found me a
very satisfactory listen-
er. By all odds she
would be ready for the

race. but she will be at
the moment when you
come, if we do not see
you until we are at
home again. I am
afraid it will be a
brightly brief time,
for we may not come
until Nov. if I wish you
were going to Pittsburg
instead of to Durham,
it is very little, if any
further from Macon,
is it selfish of me to
wish that? if you think
so, consider it "thru
Jack." I don't know
