

OFFICE OF

Thos. N. Battle,

ATTORNEY AT LAW,

Rocky Mt., N. C., Sept 19th 1894

Gov. Elias Carr.

Raleigh, N. C.

My dear Sir:

Yrs rec'd with Mrs. Bronson's proxy: also W. K. Carr's a few days since. Please accept thanks. I have delayed writing till I could see Cap. Peebles, which I did today by appointment in Weldon. I explained the whole matter to him, bond matter and all and he is heartily with us in every particular, I am glad to say. He says he will certainly be at the meeting on Oct 15th and desires me to get as much information as I can about the bond matter &c. He is with us on every point.

I saw Loge Staton in Tarboro Monday and he got Mr. Whitehurst's proxy for

us. I also mentioned the bond matter
to Gage and he approves of it highly.

In fact if he can carry it thro'
and place the bonds it will be a
very popular move for us.

I will let you know if I hear anything
definite from the New York people.

Very truly -

Thos. H. Battle
