to take such action as they
may wish. We have therefore
called a meeting and if
you are unable to attend
Please let us hear from you.

Proposition that I understood
you Mr. Bell & Howard to make
at the informal meeting that
I may submit it at the meeting

I submit the proposition that
you gentlemen were understood
to make and if you will sign
and return I will have the
others do the same and submit
it to the stockholders. If our
