How Pleasant

Dear Sir

Can only claim a slight ac-
quaintance with you, having met you first time
at Stockholders meeting Rocky Mount Mills
last fall. I have made application for member-
ship to Soc. of Sons of the Rev. in the State
and my papers are with Mr. Maywood Dec.
& require the signature of two members of the Socy.
Would you be kind enough to oblige me by
signing us one, if after examination of papers
you should think favorably of my application.

I am heartily in accord with the object & aim
of the organization

Yours truly

GEO. B. CURTIS
