

United States Senate,

Byram City
WASHINGTON, D. C.,

Oct 3

, 1894

My Dear Gov.

I have been to Haywood,
Jackson, Macon and Sevier.
The party is in good condition
in all of these counties and
I am much better off than
I supposed. I have just
about bursted up the ring in
this section and the people are
now in the saddle.

I expect to get to Raleigh
Sunday and spend Monday
there. I will have a heap to tell

you. I am in splendid health,
in good voice and doing good
work.

Truly yours

Thos. J. Jarvis
