Dear Mr. Elin:-

Your of recent date to hand. Will try and move monument out to Friday noon one day this week. Will notify the gentleman in Durham as soon as it is done, & he can then come down and put it up. I can very readily appreciate the position you are in, & I shall try and hasten the matter through.

Cotton is a "Mess". Would not surprise me if it goes to 4¢. We have had several days rain & cotton is damaged to some extent. I am obliged to you for the invitation to stop with you during the Fair. Will be glad to do so, if can possibly leave home. We are all about as well as usual & hoping that you all are also. I am with love for all -
Yours very truly
W. H. Williams

P.S.

Mother found among Grandma's old letters,
a letter to her from John in 1869. which
I enclose. Know it will be of interest
to you all. Especially Ellen & Annie & me.

My truly
